MUNICH CENTER FOR NEUROSCIENCES BRAIN & MIND  
**GRADUATE SCHOOL OF  
SYSTEMIC NEUROSCIENCES**

The background is a collage. On the left, there is a vibrant, abstract image of neural activity with green, yellow, and red patterns. On the right, there is a grayscale image of a classical building with arches and a statue of a man in profile. A large, stylized blue outline of a neuron is superimposed over the collage.

**WELCOME TO THE  
GRADUATE SCHOOL OF SYSTEMIC NEUROSCIENCES (GSN<sup>LMU</sup>)**

**GSN ORIENTATION WEEK  
OCTOBER 6<sup>TH</sup> - 10<sup>TH</sup>, 2017**

Dear 2017 GSN Students,

On behalf of the GSN team I wish you a warm welcome to Munich, the LMU, and the GSN.

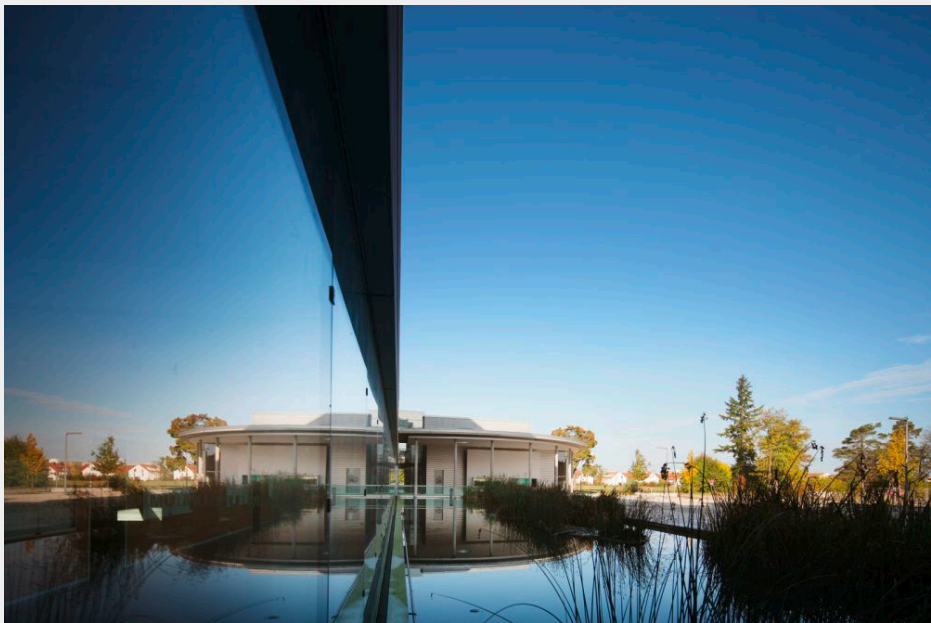

We congratulate you on being admitted to the GSN and are convinced that you will succeed within the program and in this important phase of your professional development. It is our aim to prepare you for an optimal start in your career and we will do our best to make this possible.

But we also need your input and your constant feedback to help us continue to build and maintain a high-quality framework and an enthusiastic environment. Such a framework not only involves courses, lab-work, etc., but also the social interactions that give you the feeling of being in the right place and at home. Never hesitate to contact us if you need help or advice.

In this sense I wish you a good start in the next stage of your life.

Yours, Benedikt Grothe
