

Motivation Statement Format:

The motivation letter should be uploaded in PDF format. It should not be longer than 500 words, and should be structured as follows:

- About 1/3 - Explanation of reasons for interest in Neuroscience;
- About 1/3 - Explanation of reasons for applying to GSN specifically (if you apply to more than one program, make sure to indicate your motivation for each program);
- About 1/3 - Explanation of reasons for interest in specific Research groups/fields (for PhD applicants) and/or Preferred curricular focus (for MSc & FT applicants) as indicated in your application.
