

TALKING SCIENCE

2024

with

Eve Marder

Professor of Neuroscience at the Brandeis University
Pioneer in the study of neural circuits and their dynamic neuromodulation

Programme

- | | |
|---|--|
| Thu, 25 Apr 10:00 - 12:30 CEST
"The Aquarium" (D01.018), LMU Biocenter | Round table discussions: Science & Career
Munich neuroscience students (registration!) |
| Thu, 25 Apr 17:00 - 18:30 CEST
Large lecture hall (B00.019), LMU Biocenter | Julius Bernstein Lecture public
'From modulation of degenerate neurons and small networks to climate change' |
| Fri, 26 Apr 14:00 - 15:30 CEST
GSN Seminar Room (D00.003), LMU Biocenter | Open discussion forum public
'How scientific publishing has changed, and should change?' |
| Thu, 25 Apr 14:30 - 16:00 CEST
& Fri, 26 Apr 10:00 - 11:30 CEST
GSN students' room (B00.051), LMU Biocenter | 1-on-1 student meetings
Munich neuroscience students (registration!) |
